

All-in-one RJ45 Crimping Tool

GJ668BL

Overview

This RJ45 crimping tool is a combination of stripping, cutting, and crimping, ideal for terminating RJ11, RJ12, and RJ45 connectors. Featuring a ratchet mechanism, this RJ45 crimper is easy to open and close. The ergonomic handle also provides non-slip operation. This all-in-one RJ45 crimping tool is a great choice for telecommunication and telephone applications.

Benefits

All-in-one tool with the function of stripping, cutting, and crimping

Ratchet mechanism for a fatigue-free operating experience

Ergonomic and non-slip handle for easy operation

Ideal for RJ11, RJ12, and RJ45 connectors

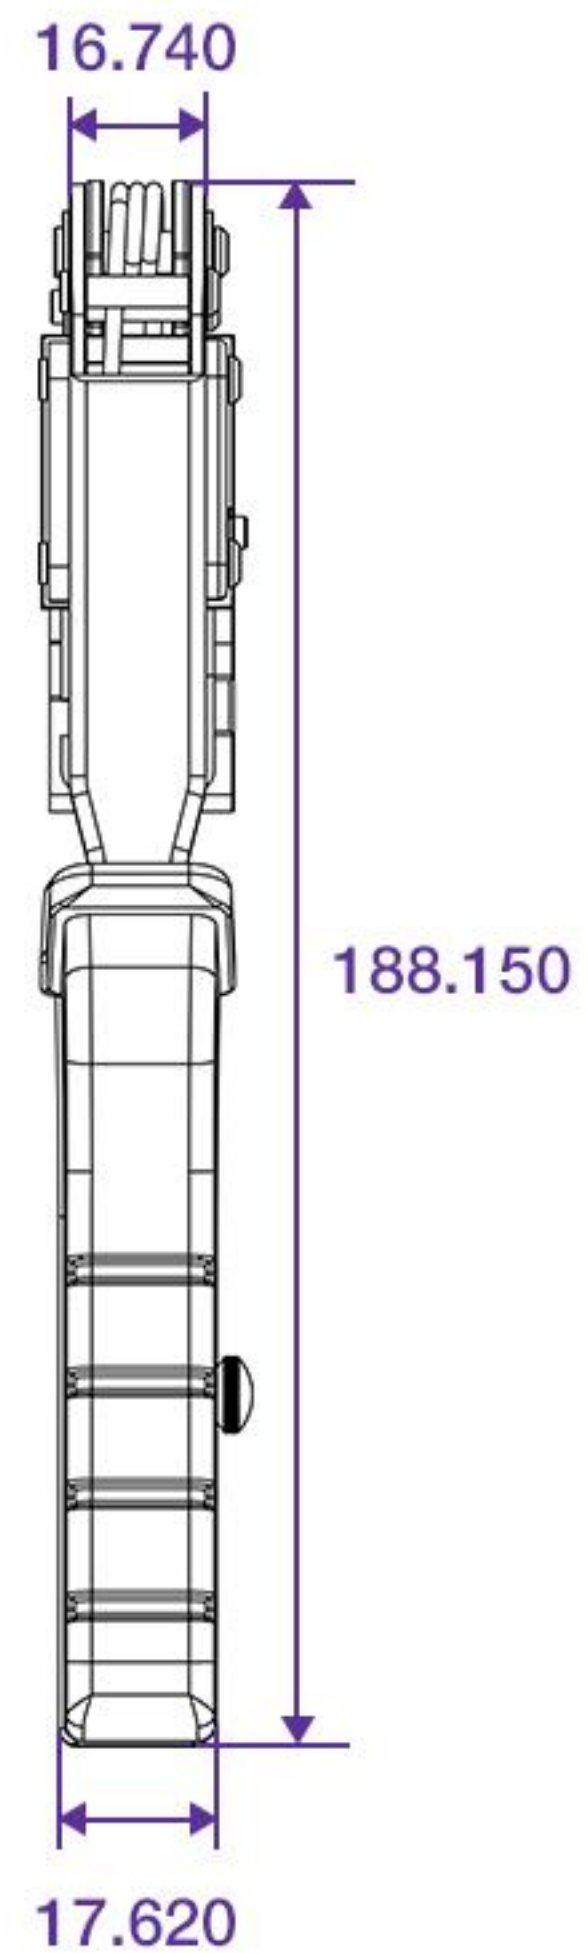

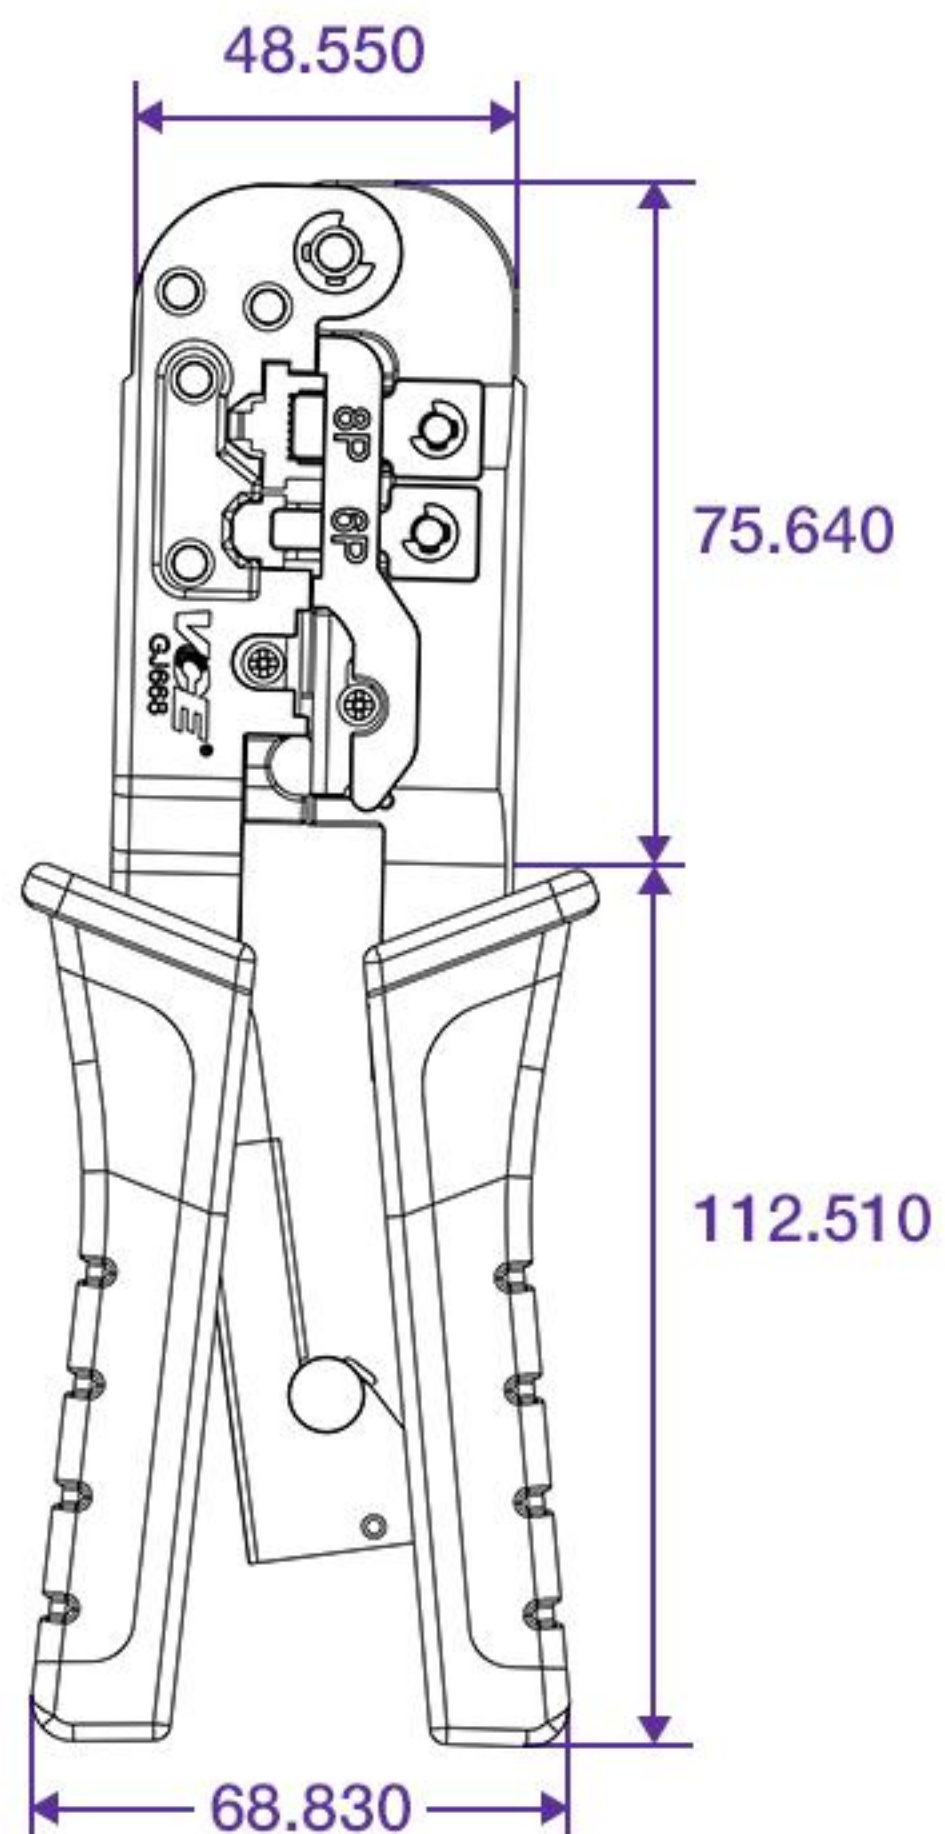

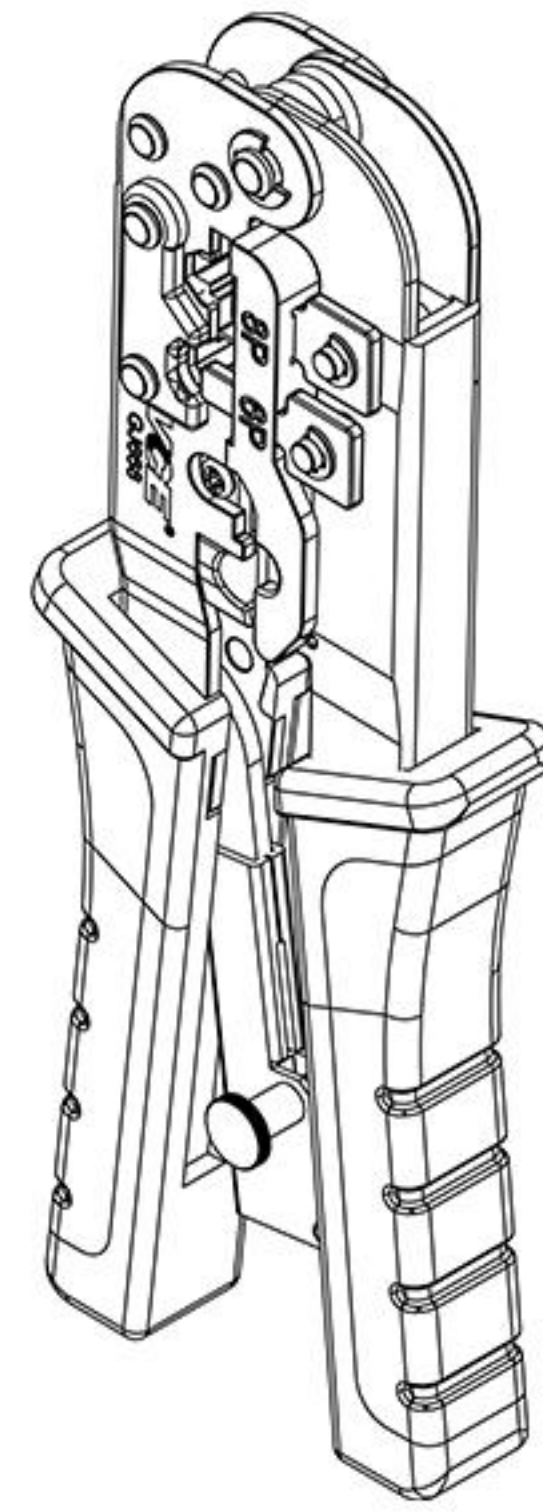

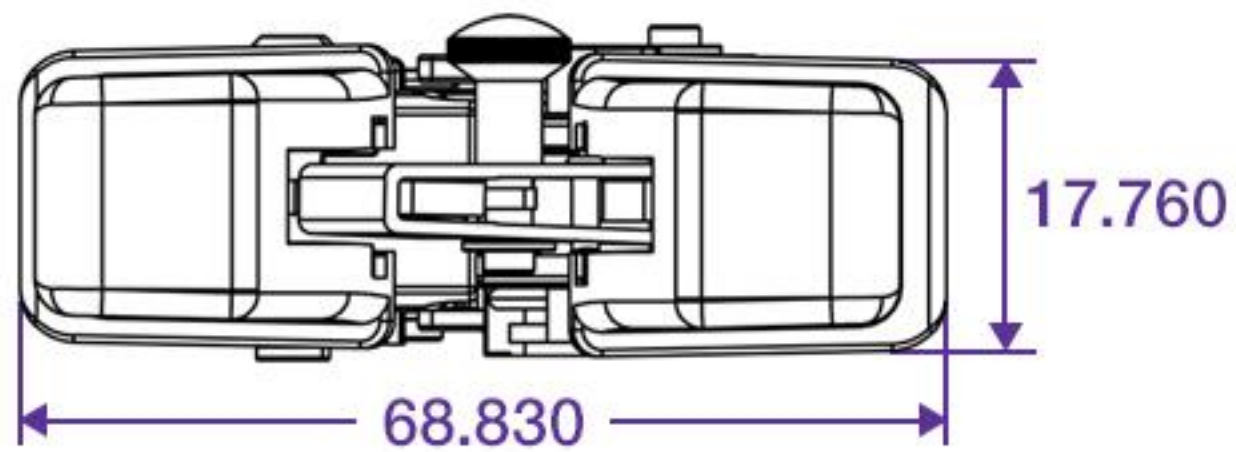

Made of carbon steel for durability and precision

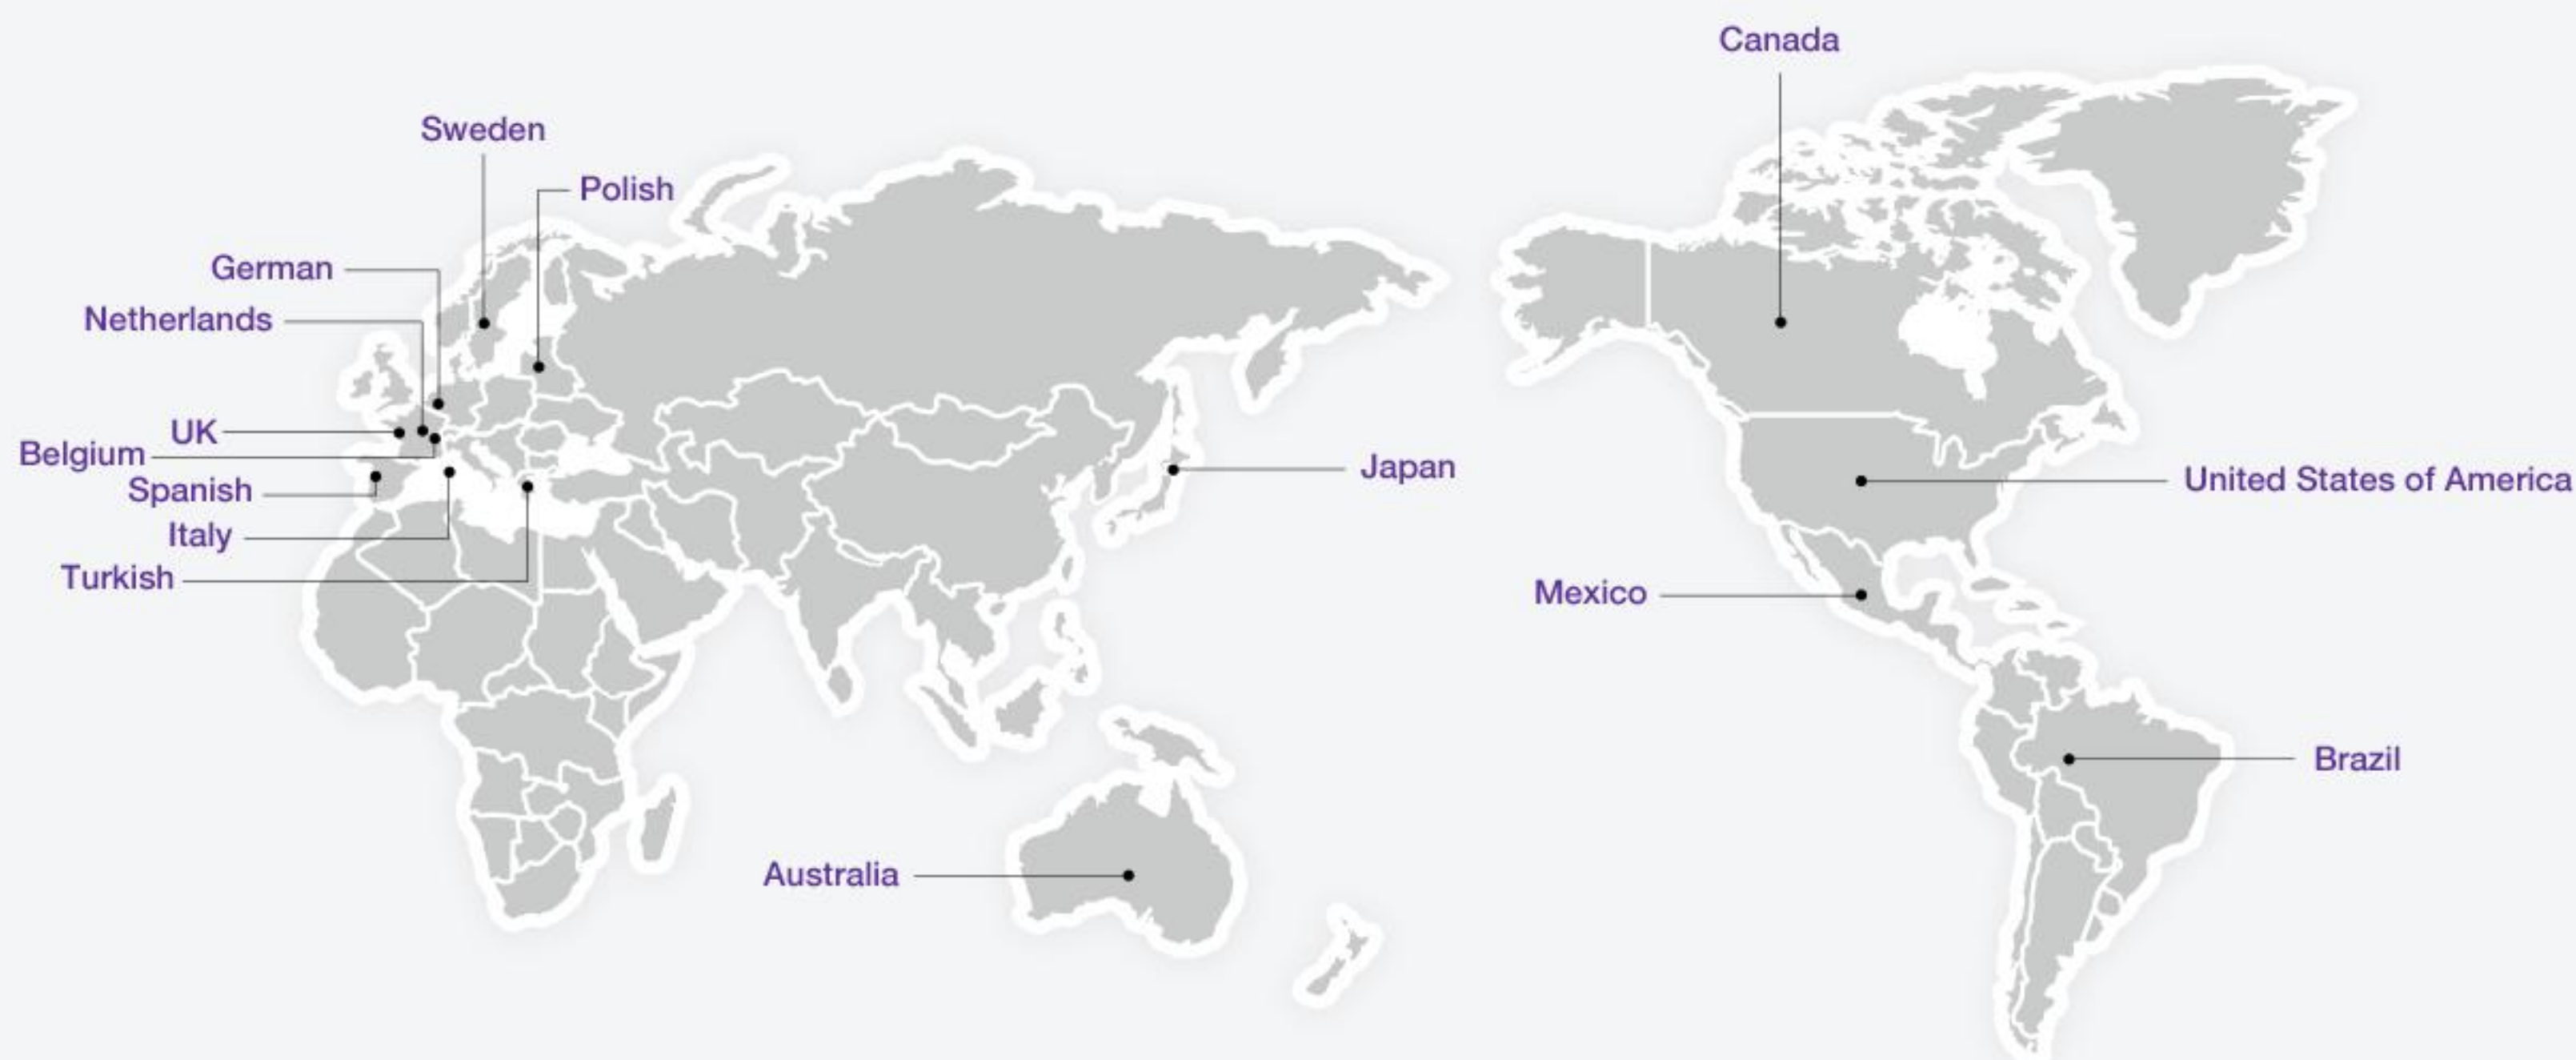

Technical Specification

Parameter	Value
