

Brush Wall Plate

A181

Overview

The VCELINK brush wall plate is white with a flame-retardant PC outer shell for safety and sturdiness, and the brushes are made of soft, high-density nylon to block dust without damaging cables. The 2-Gang wall plate can be mounted on the wall by itself or together with an adapted bracket or base. It is screwed to the wall and fits snugly into the wall with only 1 centimeter thick protruding from the wall. The wall plate has a large opening that can accommodate up to 100 low-voltage cables with an OD of 6 mm, which meets most wiring or cable management needs. A cable organizer wall plate that combines aesthetics and applicability.

Benefits

Pure white wall plate

Easy to install

Larger opening

Tons of cables can be accommodated

Sleek appearance and polished finish

Hide your messy cables

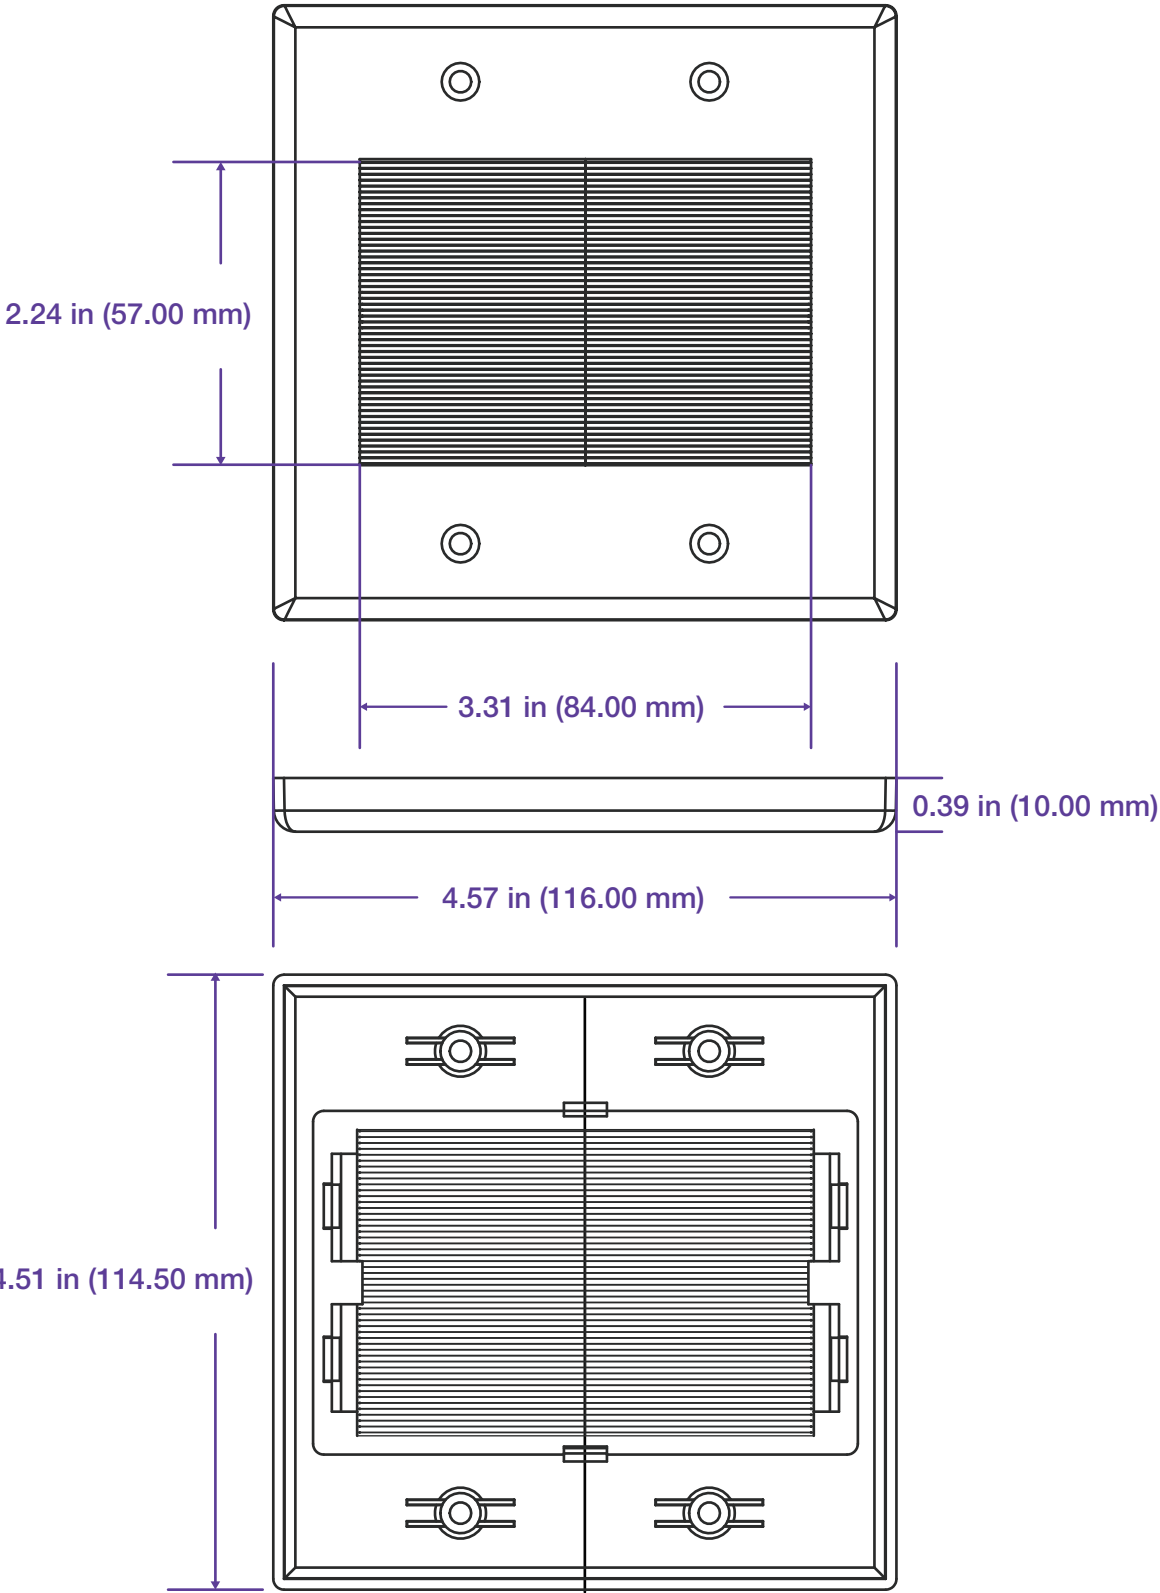

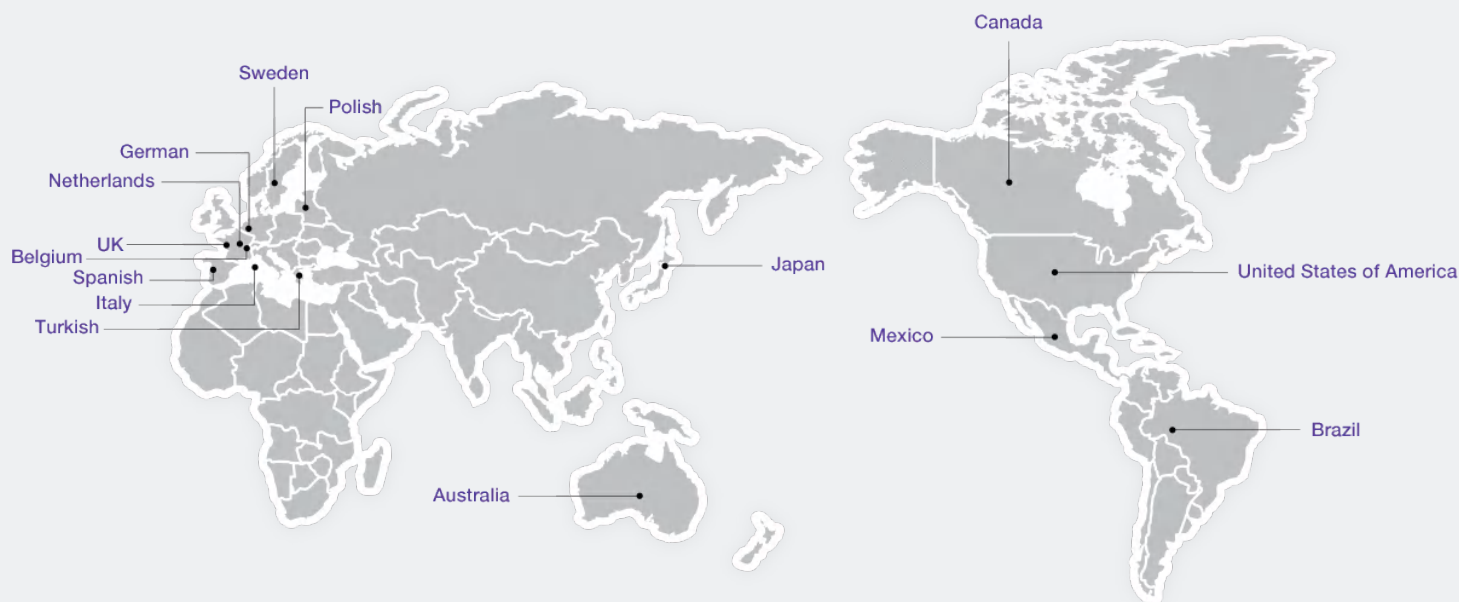

Technical Specification

Parameter	Value
Product Type	Wall Plate
Color	White
Components	Brush Wall Plate, White Head Screws
Brush Material	Nylon
