In Wall Cable Management Kit

A189

Overview

In-wall Cable Management Kit offers a path for different cables to pass through. Colorable material allows the wall plate to be painted in any color to match your decor. This wall plate effectively hides cables behind the wall, keeping your space neat and aesthetically pleasing. It is an excellent choice for home theater installations.

Benefits

Easy to install

Compatible with low voltage cables such as video, audio, HDMI, and Ethernet cable

You can color the product as you want

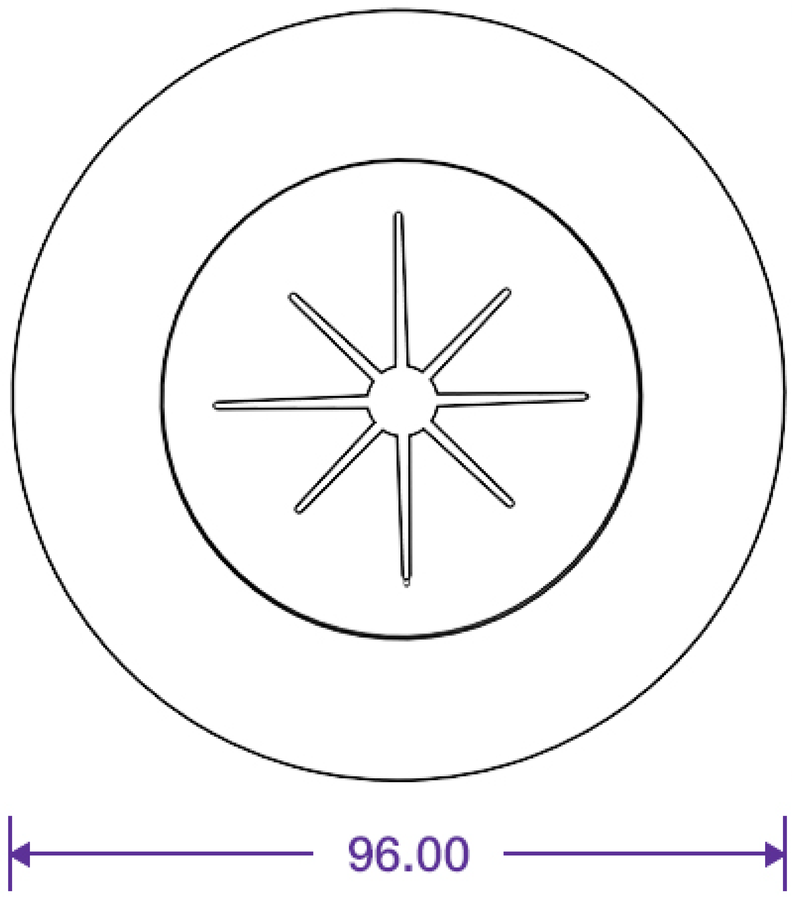

Designed to hide cables behind the wall for a tidy and elegant appearance
