

UK-style Surface Back Box

SH011

Overview

The UK-style back box is an excellent solution for mounting a faceplate. It plays an important role in multiple audio, video, and Ethernet in-wall connections, such as Cat5e, Cat6, Cat6a, HDMI, and RCA. The back box is made of high-quality ABS materials, and will blend perfectly into home or office decor.

Benefits

Mount to UK-style keystone faceplate

Ideal for various in-wall connections including audio, video, and Ethernet

Blends perfectly into home and office decor for a neat and professional installation

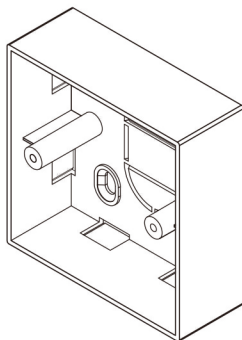

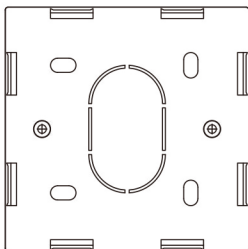

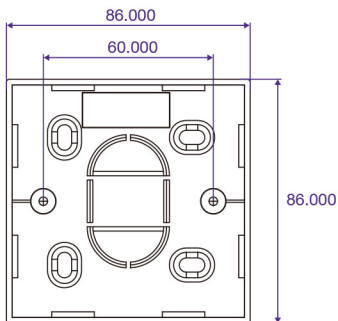

Made of ABS material for durability
