

Wall Cable Hider Grommet

A186

Overview

VCELINK in-wall cable management kit efficiently hides cables behind the wall. With its generous capacity, it can route 3 to 4 different types of wires simultaneously. Its white, paintable cover blends seamlessly with any decor.

Benefits

Tool-free, snap-in installation (no screws required)

Spacious capacity for 3-4 different types of cables

Discreetly conceals cables behind the wall for a clean finish

White and paintable design to match wall color
